*An offering
the strong
into these*

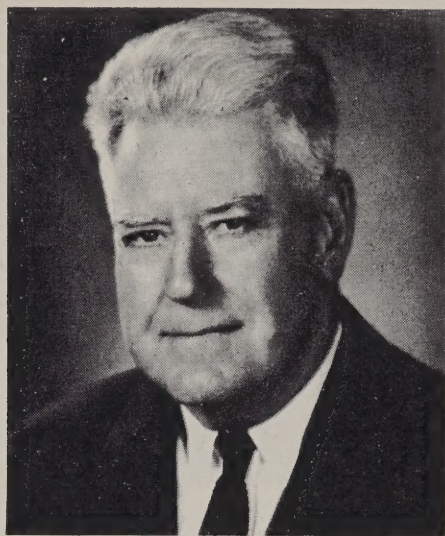

Once again all of us look forward to welcoming you to Ashbourne. This will be the ninth production sale held here. We are proud of the contribution these cattle have made to the improvement and expansion of the Shorthorn breed.

Last year R. E. Smith, The Lone Star Herd, Houston, Texas, joined those of us from Ashbourne and Brown-Forman. The combination of these three herds, each bringing its best, resulted in one of the top Shorthorn sales of 1964. We are most pleased to have a strong 15-head consignment from Lone Star again this year.

The 1965 offering is the strongest we have ever presented. It reflects the strong seed introduced into these herds from Scotland. It is with regret that we part with blood now so difficult to obtain. We are looking forward to seeing you at the sale. Please come early enough to join us for dinner at Fox Den Farm, April 9, the night before the sale.

possible after the sale. Cattle are at owner's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, hand shipping instructions to clerk, also information as to whom the pedigree is to be transferred.

LIABILITY: The guarantee will constitute a contract between the buyer and seller of each lot. The Sale Manager was hired for specific purposes in connection with the promotion of the sale and is not liable for the contract. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the herds selling, nor any of their representatives, nor auctioneers, clerks, sale manager, can assume any liability for accidents.

TERMS: Cash. All settlements must be made with the clerk at the conclusion of the sale.

LUNCH will be available at the sale.

TRANSPORTATION: Louisville is easy to reach by any mode of transportation. It is centrally located for buyers from North, South, East and West. If notified, we will furnish transportation from airport or railroad station to the farm and return.

HEALTH: Interstate health papers will be provided for out-of-state buyers. The Ashbourne and Brown-Forman herds are Federally Certified for Brucellosis and Accredited for T. B. All of the cattle in the Lone Star group will be tested within 30 days of the sale and Interstate Health Charts provided. All three herds practice calfhood vaccination of females.

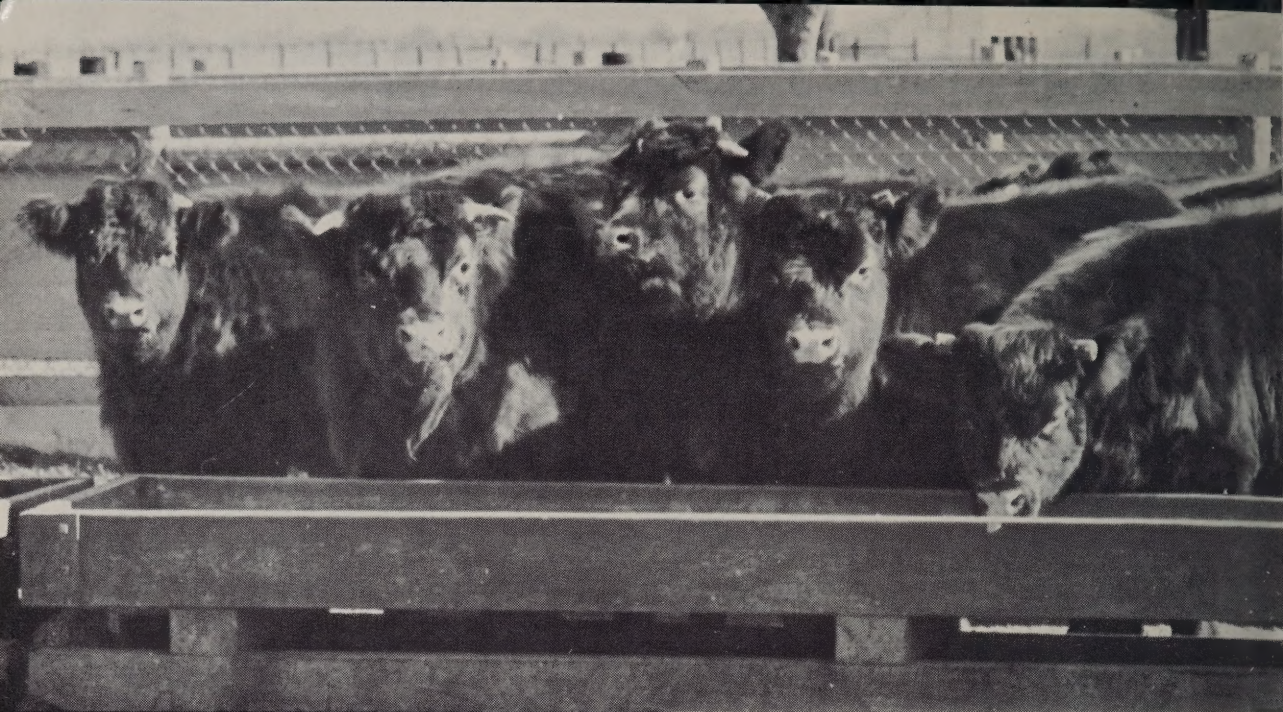

You are cordially invited to inspect the cattle at the farms at any time.

Wallace Campbell

It was a privilege for all of us to know and work so closely with Wallace Campbell. His death came on December 11 after a long and productive life.

Mr. Campbell had spent his life with Shorthorns. Born in Kentucky, for years he was co-owner of the great Maxwalton Shorthorn herd in Ohio. Upon the dispersion of that herd he joined us as the manager of Brown-Forman Experimental Farms.

No man knew Shorthorns better than Wallace Campbell. He helped us select many foundation females and stock bulls — cattle that are making a lasting contribution to the breed. His guidance in herd policy was invaluable.

The memory of this fine friend will last with all who knew him.

BEAUFORT LANDHOLDER — Among the greatest stock bulls ever used by the Browns of Kentucky must rank the powerful Beaufort Landholder. This great young sire is an imported son of Beaufort Cravate. Cravate was supreme champion of the strong Northern Counties show in Scotland. The grandam of Beaufort Landholder, Beaufort Flora Broadhooks 3d, was female champion of the Northern Counties show. Her sire, the famous Beaufort Bulldozer, sired both International grand champions in 1954 and made history in the great Edellyn herd. A high infusion of Cruggleton breeding in both lines of the pedigree give him a strong concentration of the potent A. J. Marshall breeding. Many veteran cattlemen feel that Beaufort Landholder is one of the best bulls ever to be imported. His get and service are a sale feature.

One of the first calves by Ashbourne Scepter
in The Lone Star Herds, Houston, Tex.

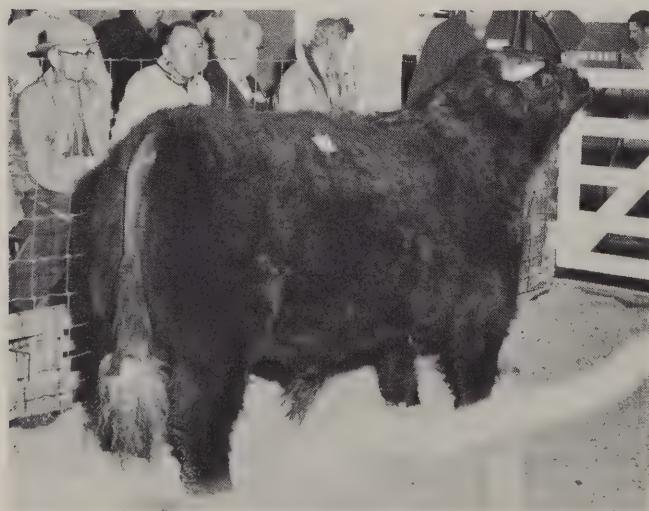

ASHBOURNE SCEPTER

Here is a stock bull that must rank with the best of any breed in the world. A son of the \$20,000 Louada Regalia, he brings a valued cross of the great Bapton Constructor breeding to the Ashbourne and Lone Star herds where he is used jointly. His dam, Bapton Alice Actress, comes from one of the world's foremost female families. She was a valued member of the Browns 1957 importation. One of her daughters sold in the 1961 Browns sale for \$3,850 to Fralawn Farms, Owen Sound, Ont. The Lone Star herd sire and Perth supreme champion Bapton Daily Express is also from the Bapton Actress family. His dam is a three-fourths sister to the dam of Ashbourne Scepter. A one half interest in Ashbourne Scepter was sold to The Lone Star herd in 1963 for \$10,000. His calves there and at Ashbourne prove him to be a prepotent young sire. His service is a feature of the sale.

ASHBOURNE BANK BALANCE

ASHBOURNE BANK BALANCE — This stock bull deserves a prominent place in this catalog because of the great improvement he worked in the Browns herds. His influence will be felt for generations through the powerful females he left in the herds. Many of them are dams and granddams of the sale offering. Ashbourne Bank Balance was imported in dam in 1956 and was a popular showring winner in 1957 and 1958. He was by Burnton Bankbook, 1954 Perth supreme champion. His outstanding mother is line-bred in the blood of Cruggleton Braemar. An indication of the quality and uniformity of his calves is that nine of the best-ten-head group at the 1961 National Western were by Bank Balance. In 1964 a son was second top-selling bull of the Browns of Kentucky-Lone Star sale. His daughters in the Browns herds all have the same kind of heavy bone, outstanding quarters and strong heads.

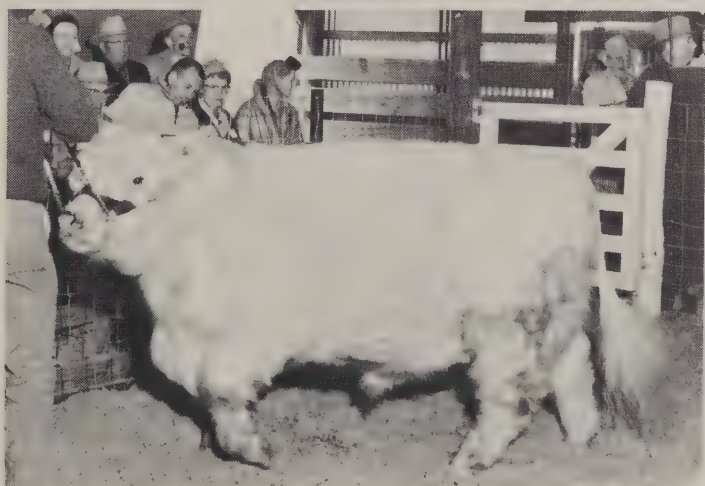

B F Bank Standard, a typical son of Ashbourne Bank Balance. Bank Standard was second top-selling bull of the 1964 Browns of Kentucky-Lone Star sale.

LOUADA REGALIA

LOUADA REGALIA — From the time Louada Regalia was born, it was evident he would be one of the most important stock bulls in the history of the breed. Today his sons and daughters have compiled an enviable show record throughout the continent. Regalia is by the world-famous Bapton Constructor and out of Louada Rothes Fragrance by Calrossie Armada. As a senior calf at the 1958 International he was second in class to his half brother that was named International grand champion. Regalia himself was International reserve junior champion. In 1960 the Browns of Kentucky paid \$10,000 for a one-half interest and possession in this great sire. Five sons and 12 daughters sell in this sale.

B-F Regalia's Guinea by Louada Ragalia. He was one of the attractions in the 1964 sale where he sold to Lotis Linville & Sons, Shelbyville, Ind.

CAPTIVATOR OF BAPTON x — He is one of three Polled Shorthorn bulls ever to be imported to the United States from Scotland. He is owned jointly by Ashbourne Farms and Sutherland Farms, Prospect, Ky. The sires in his pedigree are well-known, but the following information about the dams will be interesting. Lavender Coronita 17th x was Gordon Blackstock's favorite cow and was shown widely as was her daughter, Victoria Coronita 8th x was second-prize senior yearling at the 1957 International. Her daughter, Victoria Coronita of Bapton x, was never defeated in Scotland either in horned or polled competition. Victoria May of Bapton x is her beautiful Bapton Constructor polled daughter.

LOUADA REQUEST — He is the latest stock bull to join the powerful Browns of Kentucky herds. He was selected particularly for his great thickness, substance and character. His sire, Glamis Benefactor, needs no introduction. He is the only bull to win all seven major shows in Britain in one year and the only bull to be supreme champion at Perth and the Royal Highland in the same year. A one-third interest in him sold at the world record price of \$20,000. The granddam of Louada Request is out of the same cow as the dam of Louada Rothes King, stock bull at Louada Manor Farms. This is also the same female family that produced this year's \$30,000 Perth supreme champion bull. The maternal grandsire is Bapton Brave Robin that was the best bull of his year at Perth. His paternal grandsire is Calrossie Diadem, the great stock bull that sired four consecutive Perth supreme champion and/or top-selling bulls. He also sired the top-selling Shorthorn bull at auction in North America in 1964 at \$10,100 for a two-thirds interest.

ASHBOURNE REGALIA 17th — For anyone with a color problem, this bull could be a good one to help correct it. A very deep, cherry red with a powerful head and lots of bone, he has the thickness and depth needed for a breeding bull. Out of an Augusta Carol that has been one of the best breeding families for Ashbourne Farms.

ASHBOURNE DRUMMER BOY — Bapton Drummer Boy was 1962 Jr. Champion and Reserve Supreme Champion at Royal Highland Show. An even dark roan bull with a great head and bone. He is deep, thick and correct on his legs. A bull imported-in-dam that has been used on some of our choice heifers. We wish to keep 1/3 interest with possession going with the other 2/3 interest. This bull never saw a nurse cow. He has been with a large group of bulls in pasture where he got plenty of exercise.

ASHBOURNE LANDHOLDER — If size is a problem in your herd, this bull could correct a lot of it. Beaufort Cravate is a very large bull and this bull is sure a chip off the old block. His mother is out of the same cow as Ashbourne Scepter. The Actress family has produced many top herd sires and are very good milkers. This bull was off feed in Denver, but still stood 5th out of 14 bulls in the senior bull calf class. On the Kentucky Performance testing, this bull had an index value of 135 and type score of 14.

We are reserving the right to show this bull. If the purchaser wishes, we will collect semen and ship it to them so as not to delay their breeding program. This bull is out of one of our best imported cows. The Roth's Queen family is one of the greatest in Scotland, and the 33rd's dam is one of the best. Regalia 33rd is much like her with plenty of bone, good legs, lots of length of rump. His head is very attractive and breedy. Probably shows the most potential of any calf you will see at his age.

LONE STAR WELLINGTON — An outstanding herd sire prospect out of one of Lone Star's best imported cows. His pedigree combines two of the most renowned bloodlines in Scotland. Calrossie Crocus Count and Uppermill Leopold, the sire of highest averaging bulls at Perth year after year. Wellington is a smooth, rugged, short-legged individual with outstanding herd sire potential. Some of the females consigned to this sale are bred to him.

For many years the Lone Star show herd has been exhibited at major shows throughout the nation. Pictured above is the ten-head which were exhibited at the Southwestern Exposition last year. Six of them sold in this sale a year ago. This year Lone Star consigned several more of their show cattle.

ASHBOURNE PRINCESS MARIE — This heifer is out of the deepest, thickest cow on the place. The Cluny cattle have always done well for us, especially the Princess Mararet. Princess Marie is a full sister to the dam of Ashbourne Princess Mary that was purchased for \$3,800 in our 1964 sale by Royalty Farms. Bred 10-7-64 to Louada Regalia. The resulting calf should be a credit to any herd.

Ashbourne Princess Mary, top-selling female of the 1964 Browns of Kentucky-Lone Star sale to Royalty Farms, Owensboro, Ky. Pictured with her are C. D. Swaffar, Secretary, American Shorthorn Assn; W. L. Lyons Brown, owner of Ashbourne Farms, and B. Sterling Ambrose, owner of Royalty Farms.

Ashbourne Princess 16th, grand champion female at the 1965 Nat'l Western and junior champion female of the 1964 International. She is an imported-in-dam heifer. Six imported-in-dam females sell in this sell including Lot 19 below.

ASHBOURNE CLARA CORAL — An imported-in-dam heifer. A breedy deep heifer that will make a top cow. We have five daughters of Westdrums Wallace. This is one of the top two that will be sold. The rest will be put in our herd as replacements. This heifer traces back to the famous sire "Uppermill Leopold". She was bred 12-21-64 to Lauada Regalia. This heifer broke a horn and we dehorned her. She will still be thin by sale time.

Ashbourne Butterfly, reserve junior champion, 1961 International and grand champion of the 1962 Nat'l Western. She is a half sister to Lot 20 below.

Ashbourne Butterfly 2nd, left, Lot 20. She is a maternal sister to the 1962 National Western champion female and 1961 International reserve junior champion female.

ASHBOURNE BUTTERFLY 2nd — This heifer is out of one of the finest daughters of Beaufort Bulldozer. We purchased her dam at the Marelbar dispersion for \$3,000. This is a good-headed heifer with a lot of thickness and depth. Her half sister was reserve junior champion at the International in 1961 and junior and grand champion at Denver in 1962. She was bred 11-7-64 to Beaufort Landholder. We would like a chance to buy the calf back when it was dropped.
